Email: jcarrique@vsb.bc.ca

Equipment and Materials

- *MathLinks: Pathways to Success* workbook
- 3-ring binder with paper
- Pencils, pens, eraser
- Calculator, ruler

Supplemental Fee(s)

- \$29 for workbook (pay on <https://www.schoolcashonline.com/>)

Policies and Procedures

- Students must keep up with the coursework as assigned and ask for help when needed
- If absent, students must email Ms. Carrique and check Microsoft Teams/the class website to catch up on what was missed

Attendance

Attendance is recorded and reported for each class. Chronic absenteeism can significantly impact student learning and progress. Please refer to the Student Agenda for detailed Attendance Policies, including extended absences.

Tardiness

Students must be in their classroom before the beginning of each period. Students who are frequently late may be required to make up the time at the teacher's discretion.

Academic Integrity

Students are expected to practice academic honesty and personal integrity by not participating in or encouraging plagiarism or cheating. Should academic dishonesty occur the classroom teacher will develop a student success plan in collaboration with the student and their family.

Assignments

There will be daily work assigned from the workbook that students must keep up with. Students are expected to check their answers in the back of the book to ensure they're on the right track. It is the student's responsibility to have homework and assignments completed on time. Students who are absent are expected to find out what the assignment was and complete it at home (all information is on the class website and Teams).

Tests

Tests will be written in class. Please notify Ms. Carrique in advance if you know that you will be absent for a test. Students will be expected to write the test immediately upon return to school.

Extra Help

FIT every Tuesday and Thursday with Ms. Carrique.
